The Great Fruit and Vegetable Vote

Hello! How are you?

You decide! You choose!

We ask 3 questions

- ① Who are you?
- ② What do you like?
- ③ What do you taste like?

Write a mark between 1
and 10 in the boxes!

You can do a rerun,
if you write with a pencil
and rub it out!

The fruit or vegetable with the
most points – is your winner!

Welcome to the Great Vegetable Vote !

And these are the conditions:

You vote looks and sympathy!

You decide if you like it!

You choose, if you like the taste!

1 is the lowest,
10 is the best mark.

Finally, add up
all your marks!

Have fun!
